Members in Attendance: Hillary Chapman, Steve Christiansen, Shawneese Heath, Shannon Krelle, Mai Xiong, Molly Garcia, Luis Delgado, Audrey Eberhardt, Sally MacMillan

1. Call to Order: 2:46 meeting was called to order

2. Introductions: Luis Delgado joined SSC for the first time.

3. LCAP draft review: Shawneese explains Marigold LCAP goals using a “summary page”. *See handout. Shawneese also requested input regarding goal #3 “Support High Levels of Student Achievement”. We all agreed that 85% K-2 students meeting end of year BPST benchmarks was reasonable. Shawneese also shared iReady goals and purpose. She has increased our goal for student achievement in mathematics since our district data has flat lined. Luis generated discussion regarding how iReady and iReady goals affect teachers and instruction. Shawneese explained item 6 on Goal 3: setting goals drives decisions made toward student growth. She shared the example of moving second grade aides to intervention groups. She also shared about Reading Pals, PLCs, release time for teachers as supports to reading goals. A big concern is that a significant amount of 5th grade students across Chico Unified go on to middle school scoring below grade level in reading.

Goal 4 conversation: group discussed best communication tool for parents. Parents present stated REMIND is preferred. They also appreciate Facebook. Luis shared that his Viking Voice goes to SPAM. Maybe others have the same problem.

Goal 5: Improve School Climate (mostly attendance). Members discussed best way to communicate student absences...possibly remind?

* See Handout - Categorical spending and budget review: Shawneese shared spending and projected spending for Title II and Safe Schools. Title II funding may be less or possibly gone next year so we are trying to reserve monies for the future.

Shawneese motions to release $2000 and $7000 from Title II for PLC release time and PD opportunities. Molly seconds, all in favor.

4. Shawneese motions to approve minutes from September, Sally seconds, all approved.
