Welcome to Chico Unified School District! We are excited that you are interested in having your child enter the Transitional Kindergarten program in the 2021-22 school year. To qualify for this program, your child must turn five between September 2, 2021 and December 2, 2021.

We do everything possible to accommodate parent choices, but when space is tight, resident students will have priority in a school over those outside the boundaries. That said, we have been able to place the majority of students in their first option when they have registered during the first week of registration.

Please contact Kim Hernandez at 891-3000 (ext. 20137) if you have questions about this process.

For now, please complete the following:
