

Transitional Kindergarten Placement Request

For students turning five years of age between
September 2, 2024 and June 2, 2025

Date: _____

Welcome to Chico Unified School District’s Transitional Kindergarten Program. Applications are received on a first come first served basis. Applications will be date stamped and will be placed accordingly.

California law provides that any child whose fifth birthday falls between September 2 and June 2, may participate in a two-year Kindergarten program if parent(s)/guardian(s) approve. The first year is called “Transitional Kindergarten.” For the second year of this two-year program the child will be enrolled in traditional Kindergarten at their resident school.

I understand that Chico Unified School District is offering enrollment in the Transitional Kindergarten (TK) program for the 2024-25 school year. I would like to enroll my child in this program. I understand that TK is the first year of a two-year Kindergarten program. If my child attends TK this year, my child will enter Kindergarten for the 2025-26 school year. I also understand that placement of my child in a TK class is based on available space in the program.
